## Yudanja Hoe News

It is with great sadness that we have to report the death of Marco Anthony "Tony" Zarate. He was a Bellaire police officer killed while in pursuit of robbery suspects. Tony was an outstanding policeman, family man, Chayon Ryu Martial Arts brother, black belt and our friend. He leaves behind three beautiful daughters and a lovely wife. Our prayers and condolences go out to his family. You will be missed, Kyosanin.

Beach training this Saturday will be dedicated in honor of our friend and brother Officer Tony Zarate.

For those of you in Houston there are sympathy cards you can sign in the HQ Dojang.

More information and arrangements for Tony will be forthcoming.
